When Bat was a Bird: and other Animal Tales from Africa Nick Greaves

Why does Monkey fear Leopard? Why does the Reed Warbler babble? How did Jabulani outwit the Lion? These and other intriguing questions are answered in *When Bat was a Bird*. Twenty four fresh and exciting stories feature memorable creatures both real and magical. Information boxes provide supporting information about the people, animals, reptiles, insects and birds of Africa. Over 90 full-colour illustrations bring the wealth and beauty of African wildlife alive for children.

In his latest collection author Nick Greaves draws once more from the lore, mythology and history of various southern African tribes to relate a new collection of tales that is bound to become a firm favourite along with the highly successful *When Hippo was Hairy*, *When Lion could Fly* and *When Elephant was King*.

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this When Bat was a Bird: and other Animal Tales from Africa can make you sense more interested to read.
