## **Divisions** James Gerard

For Doctor Paul Hatford, life is coming to its ultimate conclusion. Having been a highly skilled neurosurgeon and a brilliant university professor, the time to retire has finally arrived. But something arises that delays his plans. One of the most generous yet mysterious benefactors to the university wants to meet him. When he does, the benefactor invites Jeffrey to join his private medical research team. The research, however, proves to be something quite different than what he has been led to believe. What Jeffrey discovers is not only alarming, but sinister as well. What does he discover?
