Widening the Family Circle: New Research on Family Communication

Widening the Family Circle: New Research on Family Communication

Widening the Family Circle: New Research on Family Communication, Second Edition continues to address historically under-studied family relationships, such as those involving grandparents, in-laws, cousins, stepfamilies, and adoptive parents. In this engaging text, editors Kory Floyd and Mark T. Morman bring together a diverse collection of empirical studies, theoretic essays, and critical reviews of literature on communication to constitute a stronger, more complete understanding of communication within the family.
