Americanos: Latin Americas Struggle for Independence (Pivotal Moments in World History) John Charles Chasteen

A premier volume in Oxfords Pivotal Moments in World History series, *Americanos* offers an engagingly written, compact history of the Latin American wars of independence. Proceeding almost cinematically, scene by vivid scene, John Charles Chasteen introduces the reader to lead players, basic concepts, key events, and dominant trends, braided together in a single, taut narrative. He vividly depicts the individuals and events of those tumultuous years, capturing the gathering forces for independence, the clashes of troops and decisions of leaders, and the rich, elaborate tapestry of Latin American societies as they embraced nationhood.
