**Rabbit Is Rich** John Updike

**Winner of the Pulitzer Prize, the National Book Award, and the National Book Critics Circle Award**

The hero of John Updike's *Rabbit, Run*, ten years after the events of *Rabbit Redux*, has come to enjoy considerable prosperity as the chief sales representative of Springer Motors, a Toyota agency in Brewer, Pennsylvania. The time is 1979: Skylab is falling, gas lines are lengthening, and double-digit inflation coincides with a deflation of national self-confidence. Nevertheless, Harry "Rabbit" Angstrom feels in good shape, ready to enjoy life at last—until his wayward son, Nelson, returns from the West, and the image of an old love pays a visit to the lot. New characters and old populate these scenes from Rabbit's middle age as he continues to pursue, in his zigzagging fashion, the rainbow of happiness.
