Jennifer Edwards is back home again...

When she traded small-town life for the bright lights of Chicago, Jennifer Edwards yearned to discover a world beyond Faith, South Dakota. So when her father's illness calls her home to run their cattle ranch, she tells herself it's temporary. Then why is she even *thinking* about a future with archaeology professor Brett Lange—the boy she left behind—whose life's work is digging up the past?

Twelve years ago, Brett had a crush on Jennifer the size of the T. rex that put his hometown on the map. Now she's a citified magazine editor who prefers designer duds to dungarees. Except that's not the real Jennifer. Brett needs to make her see how a little faith can go a long way in uniting two perfectly in-sync hearts.
