Blackhearted Betrayal (A Shades of Fury Novel) Kasey Mackenzie

From the acclaimed author of *Green-Eyed Envy* comes a tumultuous tale of unrest among the Furies...

As Boston's Chief Magical Investigator, Riss Holloway has been responsible for solving any crimes committed by or against supernaturals. But now she's taking a leave of absence from the Boston PD and heading home--to focus on her duties as a Fury: like assisting her mother with an unsettling friction brewing in the Sisterhood, a faction of Furies sworn to serve all the Deities equally. These days, someone is playing favorites, drawing Riss into a tumultuous civil war embroiling every god and goddess. What was once a precept, to stand as a united whole policing arcanekind for millennia, has been divided by something Riss never imagined—and choosing sides could be the most dangerous move she's ever made.
