Compendio de los felices progresos de la Universidad de Salamanca (Spanish Edition) Juan Antonio Curiel Luna y Tejada

COMPENDIO DE LOS FELICES PROGRESOS de la Vniversidad de Salamanca Acreedora justissima de la primera estimación del Orbe, es un texto de Juan Curiel, firmado por él en 1717. Se trata de un manuscrito que localizamos en el Archivo Histórico Provincial de Valladolid, como un elemento suelto sin ninguna relación con la documentación aneja. El manuscrito se realizó como base para un discurso que iba a ser pronunciado ante la Real Academia de la Lengua. La lección se encuentra escrita en ocho hojas (verso y reverso), con una letra clara y con anotaciones bastante completas en los márgenes de la franja izquierda, donde se colocan las citas de autores y palabras de referencia a los títulos de obras utilizadas, situadas a la altura del texto donde se recogen sus afirmaciones. Por tanto, su apariencia no responde al modelo de una mera disertación, puesto que incorpora notas innecesarias para la simple exposición oral. Pero el texto sí estuvo condicionado por tratarse de una alocución, como lo demuestra la limitación forzosa de la extensión a la que se refiere el autor.
