The authors use more than 50 case histories to explain why blogging is an efficient and credible method of business communication. You'll find yourself excited about the possibilities blogs present after reading just a few pages. Discover how:

- Prominent business leaders, including Mark Cuban of the Dallas Mavericks, Bob Lutz from General Motors, and Jonathan Schwartz of Sun Microsystems, are beginning to use blogs to connect with their customers in new ways.
- Blogging has changed the rules of communication and competition.
- You can launch an effective blogging strategy and the reasons why you should.

Featuring a foreword by Tom Peters, this is a resource you and your business can't do without.
