*Only You, Sierra*

Sierra was nervous about the future. She had always been the bold, free-spirited type. But then, her whole foundation of home and family had never before been rocked.

Sierra Jensen settled back into her seat and gazed through the train window at the English countryside. So much was on her mind, and her heart was flooded with emotions. She hoped the friendship she had made with Katie and Christy the past week during the Europe mission trip would last forever.

She dreaded the flight back to the States, knowing that everything would be completely different when she returned home. While in England, Sierra's family had moved to a different state. She hated the thought of going to a new high school in the middle of her junior year, where everybody already had their cliques and boyfriends. The prospect of another dateless year made her heart sink.

She wondered if she'd ever find love, and then in a London airport, she met Paul. Her heart, which had sunk so low, leapt! But of course, it was just a chance meeting...wasn't it? She would never see him again...would she?
