Promoting Recovery from First Episode Psychosis: A Guide for Families Sabrina Baker, Lisa Martens

Family members can play a significant role in helping to identify early signs of psychosis, in seeking prompt and appropriate treatment for their relative, and in promoting the recovery process. *Promoting Recovery from First Episode Psychosis* is based on research, practice guidelines and the authors' own experience working with clients and their families in the First Episode Division at CAMH.

The guide is divided into two parts:

- Part II focuses on the family's journey to recovery. It describes specialized services for families, self-care strategies, and communication and limit-setting tips
