Leland Gregory

Stupid Texas: Idiots in the Lone Star State Leland Gregory

New York Times best-selling author Leland Gregory is definitely messing with Texas in his book *Stupid Texas*.

This time, Leland--who has so entertainingly highlighted humanity's stupidity in the areas of crime, business, love, politics, cruelty, and history--collects evidence to prove the widespread belief that deep in the heart of Texans lies an extraordinary capacity for absurdity. Culled from print, online, and broadcast media, *Stupid Texas* is an uproarious collection of true stories, trivia, and factoids about the Lone Star State, such as:

* In 1875, James Stephen Hogg, the first native-born Texan to become the state's governor, named his daughter--Ima.

* In 1984, a Texas District Court judge sentenced a 31-year-old Houston man to 35 years in prison--for stealing a 12-ounce, \$2 can of Spam.

Ridiculous, outrageous, bizarre, and comical, *Stupid Texas* is ideal for both kinds of people--those who love Texas and those who hate it.
