Two Hands to Love You Diane Adams

*I'll bathe you in bubbles and soak you in sun,
then wrap you up tightly when bath time is done.*

With two loving hands, an adoring mother cradles her baby after bath time and a devoted father lifts his newborn to look into a nest. Sister, brother, grandma, and grandpa all can't wait to share what they love best with their newest family member. And when it is time to step out into the world, this caring family is right there alongside their littlest one. In simple, heartfelt language, this soothing picture book for the very young will tug at the heartstrings and remind us all of the caring hands that helped us along our way. Plus, this is the fixed format version, which looks almost identical to the print edition.
