God Anthology Study Guide Mark Batterson

Looking for a more God-centric and less topical approach to group Bible study? **God Anthology** by Mark Batterson guides groups on an exploration into six of the critical aspects of God's character and personhood. In some respects, this study captures the essence of A.W. Tozer's classic *The Knowledge of the Holy* for a new generation. But what makes *God Anthology* original is the way music and media are incorporated into the experience. National Community Church worship staff has written, composed, and arranged original music for each of the critical aspects of who God is. This experience will not only utilize these songs worshipfully, but will also integrate the use of QR codes, video, and other forms of media as well.

The six aspects explored in this resource include:

- Merciful
- Holy
- Mysterious
- Jealous
- Sovereign
- Incomparable

This Member Book includes a small-group experience for six sessions, individual devotions for each week, video discussion starters, and leader notes.
