## **H8ters** Cornelia Katina Gail

They had a love for each other that everyone hated, they were the best of friends. Christina was ghetto fabulous and Shakira was fabulous to the ghetto. Christina would chase men, the men would chase Shakira. See how these two females deal with hating at it's all time high. See why females roll their eyes and suck their teeth, at just the thought of these two women. See how they made living in the hard streets of the R, look easy. They fought their way through the struggle but their biggest fight comes when Christina struggles to become Shakira and Shakira fights not to become like Christina. Shakira still holds on to their childhood bond, while Christina throws it out. Crossing every line they had ever made. Will Christina come to her senses and chose love or lust, friend over foe? Will she stick to the bond and love of a thirty year friendship, or will she become a hater too?
