Public Law Librarianship: Objectives, Challenges, and Solutions (Premier Reference Source) Laurie Selwyn

While there are common misconceptions regarding the definition of a public law library, it can be defined as a government mandated library which provides the public with access to legal resources. Largely, public law libraries are instituted by state or federal law. **Public Law Librarianship: Objectives, Challenges, and Solutions** aims to introduce firsthand knowledge on the funding, organizational structures, and governance related to the public law library. This book includes comprehensive research for current and future public law librarians to provide administrative guidance and professional sources essential for running a public law library.
