These studies provide a bridge for people to find their place in the Bible story. Designed to be used individually, they can also be followed thematically – with twenty-five studies on Bible characters; twenty lessons from the life of Jesus; five studies from the Law and Prophets, and more. Each double-page spread has a Bible passage, supporting commentary, a series of questions and a prayer. “Have fun with these outlines,” writes Pen Wilcock. “May your home be a place of friendship, somewhere people can learn to love the Lord Jesus, a safe place to become more self-aware and awake to the beauty and the vulnerability of their fellow-pilgrims.”
