Confident Faith: Building a Firm Foundation for Your Beliefs Mark Mittelberg

In *Confident Faith*, Mark Mittelberg assures Christians that we *can* be confident in our beliefs. There's no reason to be timid about what we believe, because our beliefs can stand up to the test. Truth isn't dependent on how a person feels or one's own point of view, as so many assert. On the contrary, we can determine truth through our five senses, and that truth reliably points to a deeper and unseen reality.

Mark walks readers through twenty arrows that point towards Christian beliefs: from the intricate design of the universe to archaeological proofs, from the consistent testimony of changed lives to the reliability of the ancient documents of the Bible. After studying these arrows, you'll put this book down with a renewed confidence in what you believe and why it matters for eternity.
