## Cottonwood Whispers Jennifer Erin Valent

In this sequel to Jennifer's award-winning debut novel *Fireflies in December*, Jessilyn Lassiter and her best friend Gemma Teague have survived prejudice and heartache in their lifelong friendship, but the summer of 1936 threatens to tear them apart yet again. Gemma's job with the wealthy Hadley family leads to a crush on their youngest son. But Jessilyn's insistence that he's no good and that no rich white man would ever truly fall for a poor black girl like Gemma puts them at odds. Tragedy strikes when Jessilyn's cherished neighbor girl is hit by a car and killed. Things get worse when an elderly friend is falsely accused of the crime, and the only way to clear his name is to put her family's livelihood in jeopardy. For Jessilyn, this is a choice too hard to bear and she wonders where to turn for answers, especially when an angry mob threatens vigilante justice. Jennifer's third book, *Catching Moondrops*, releases in Fall 2010.

### From reader reviews:

#### Joseph Gee:

Reading a e-book tends to be new life style within this era globalization. With examining you can get a lot of information that can give you benefit in your life. Using book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or even their experience. Not only situation that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this Cottonwood Whispers.

#### Keven Peterson:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them household or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read any book. It is really fun in your case. If you enjoy the book that you just read you can spent all day every day to reading a reserve. The book Cottonwood Whispers it is rather good to read. There are a lot of individuals who recommended this book. These folks were enjoying reading this book. When you did not have enough space to create this book you can buy the particular e-book. You can m0ore simply to read this book through your smart phone. The price is not too expensive but this book has high quality.

#### Eric Valentine:

People live in this new morning of lifestyle always try and and must have the time or they will get great deal of stress from both day to day life and work. So , once we ask do people have extra time, we will say absolutely yes. People is human not just a robot. Then we ask again, what kind of activity do you have when the spare time coming to anyone of course your answer will unlimited right. Then ever try this one, reading publications. It can be your alternative throughout spending your spare time, often the book you have read is actually Cottonwood Whispers.

#### Donna Muniz:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's heart or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Cottonwood Whispers can make you truly feel more interested to read.
