First published on the occasion of the major retrospective exhibition that opened at Tate Modern in 2011, *Gerhard Richter: Panorama* is the most complete overview of the artist's entire career to date. This stunningly illustrated survey encompasses works from the late 1950s to the present?photo-paintings, abstractions, landscapes, seascapes, portraits, color charts, grey paintings, glass and mirror works, sculptures, drawings and photographs?providing the definitive account of Richter's achievements.
