## **Midnights: A Year With the Wellfleet Police** Alec Wilkinson

When I was twenty-three years old, five months out of college, with a degree in music, and without any idea of what to do with myself, I took a job as a policeman in Wellfleet, Massachusetts, and resolved to stay with it for a year because I thought it would do me good. I was lonely much of the time, as well as scared, surprised, excited, embarrassed, self-righteous, and many other things, too. I spent hours at a stretch hoping nothing serious would happen when I was working alone; I never quite shook the feeling that I was a fraud; and on several occasions, when it all seemed to be too much, I meant to quit, but I never did. -Alec Wilkinson
