**The Next Founders: Voices of Democracy in the Middle East** Joshua Muravchik

The Next Founders brings to light the stories of seven remarkable people, six Arabs and an Iranian. Five are men; two, women. Four are Sunnis, two are Shiites, and the seventh is mixed. Their lives revolve around a sense of mission, and while the angles from which they attack it are varied, this mission is the same for all seven--to make their countries more free and democratic.
