Why We're Liberals: A Handbook for Restoring America's Most Important Ideals Eric Alterman
The bestselling author and *Newsweek* columnist takes a characteristically irreverent look at the rampant mistreatment of liberals and liberalism

The "most honest and incisive media critic writing today" (*National Catholic Reporter*), Eric Alterman is committed to restoring the liberal tradition to its honored place as the political philosophy of mainstream American citizens. In this bracing and well-documented counterattack on right-wing spin and misinformation, Alterman briskly disposes of the canards and false definitions that have been foisted upon liberals by the right and have been accepted unquestioningly by nearly everyone else. The perfect post-election book for all those who are ready to fight back against the conservative mudslinging machine and reclaim their voices in the political process, *Why We're Liberals* brings clarity and perspective to the possibility of a new day in America.
