Colorado's Canyon Country: A Guide to Hiking and Floating BLM Wildlands Mark Pearson

From slick rock canyons to alpine wilderness, no scenery in the United States equals the diversity of Colorado's Bureau of Land Management (BLM) lands. From the world's second greatest accumulation of natural arches to towering 14,000-foot peaks, the number of places you never know existed will astonish you- and Mark Pearson has visited them all. His accurate directions and sensitive descriptions of canyon ecosystems make this book as necessary for your trip as a compass and a full bottle of water. This newly revised and expanded edition features a fresh look, more photographs, two additional wilderness areas, topographical maps and a special highlighted hikes feature.
