## **Global Justice: Liberation and Socialism** Ernesto Che Guevara

Is there an alternative to the neoliberal globalization that is ravaging our planet?

These classic works by Ernesto Che Guevara present a revolutionary view of a different world in which human solidarity and understanding replace imperialist aggression and exploitation.

Included in this book are:

Socialism and Man in Cuba

Message to the Tricontinental: "Create two, three, many Vietnams"

Speech in Algiers at the Afro-Asian solidarity conference

Ernesto Che Guevara was born in Argentina and traveled through Latin America before joining the Cuban revolutionary movement that toppled the Batista dictatorship in 1959. Although best known as a guerrilla fighter, this book shows Che as a profound thinker with a radical world view that still strikes a chord with young rebels in every country today.
