Hillary Rodham Clinton

Living History Hillary Rodham Clinton

Hillary Rodham Clinton is known to hundreds of millions of people around the world. Yet few beyond her close friends and family have ever heard her account of her extraordinary journey. She writes with candor, humor and passion about her upbringing in suburban, middle-class America in the 1950s and her transformation from Goldwater Girl to student activist to controversial First Lady. *Living History* is her revealing memoir of life through the White House years. It is also her chronicle of living history with Bill Clinton, a thirty-year adventure in love and politics that survives personal betrayal, relentless partisan investigations and constant public scrutiny.

Hillary Rodham Clinton came of age during a time of tumultuous social and political change in America. Like many women of her generation, she grew up with choices and opportunities unknown to her mother or grandmother. She charted her own course through unexplored terrain -- responding to the changing times and her own internal compass -- and became an emblem for some and a lightning rod for others. Wife, mother, lawyer, advocate and international icon, she has lived through America's great political wars, from Watergate to Whitewater.

The only First Lady to play a major role in shaping domestic legislation, Hillary Rodham Clinton traveled tirelessly around the country to champion health care, expand economic and educational opportunity and promote the needs of children and families, and she crisscrossed the globe on behalf of women's rights, human rights and democracy. She redefined the position of First Lady and helped save the presidency from an unconstitutional, politically motivated impeachment. Intimate, powerful and inspiring, *Living History* captures the essence of one of the most remarkable women of our time and the challenging process by which she came to define herself and find her own voice -- as a woman and as a formidable figure in American politics.

From reader reviews:

James Williamson:

What do you ponder on book? It is just for students as they are still students or it for all people in the world, what best subject for that? Just simply you can be answered for that concern above. Every person has diverse personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book Living History. All type of book could you see on many solutions. You can look for the internet sources or other social media.

Doreen Wolf:

Here thing why this particular Living History are different and reliable to be yours. First of all examining a book is good but it really depends in the content of computer which is the content is as scrumptious as food or not. Living History giving you information deeper and different ways, you can find any publication out there but there is no book that similar with Living History. It gives you thrill reading journey, its open up your eyes about the thing this happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in recreation area, café, or even in your way home by train. When you are having difficulties in bringing the paper book maybe the form of Living History in e-book can be your choice.

Joseph Southard:

Typically the book Living History has a lot of information on it. So when you make sure to read this book you can get a lot of profit. The book was authored by the very famous author. This articles author makes some research just before write this book. That book very easy to read you can obtain the point easily after reading this article book.

Richard Vedder:

Your reading 6th sense will not betray anyone, why because this Living History guide written by well-known writer who knows well how to make book which can be understand by anyone who have read the book. Written in good manner for you, dripping every ideas and creating skill only for eliminate your hunger then you still doubt Living History as good book not only by the cover but also from the content. This is one book that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick that!?! Oh come on your examining sixth sense already alerted you so why you have to listening to yet another sixth sense.
