David Clark

Urban Geography (Routledge Revivals): An Introductory Guide David Clark

This book, first published in 1982, addressed the need for a fresh and comprehensive guide to the rapidly expanding area of urban geography. Drawing on examples from cities in a number of countries, including the U.S.A., David Clark outlines the contribution of geographers to the understanding of the city and urban society, and analyses the growth of the urban environment alongside planning and policy. A thorough and unique study, this title will be of particular value to undergraduate students, as well as laying the foundations for a more advanced study in urban geography and planning.
