## **Air Guitar Kindle Edition** Dave Hickey

The 23 essays (or "love songs") that make up the now classic volume *Air Guitar* trawl a "vast, invisible underground empire" of pleasure, through record stores, honky-tonks, art galleries, jazz clubs, cocktail lounges, surf shops and hot-rod stores, as restlessly on the move as the America they depict. *Air Guitar* pioneered a kind of plain-talking in cultural criticism, willingly subjective and always candid and direct. A valuable reading tool for art lovers, neophytes, students and teachers alike, Hickey's book—now in its third edition—has galvanized a generation of art lovers, with new takes on Norman Rockwell, Robert Mapplethorpe, Stan Brakhage, Andy Warhol and Perry Mason. In June 2009, Newsweek voted *Air Guitar* one of the top 50 books that "open a window on the times we live in, whether they deal directly with the issues of today or simply help us see ourselves in new and surprising ways," and described the book as "a seamless blend of criticism, personal history, and a deep appreciation for the sheer nuttiness of American life." This is the eBook edition of *Air Guitar*, originally published in print form in August 1997.
