Radiant Child: The Story of Young Artist Jean-Michel Basquiat Javaka Steptoe

A visually stunning picture book biography about modern art phenomenon Jean-Michel Basquiat, written and illustrated by Coretta Scott King Award winner Javaka Steptoe.

Jean-Michael Basquiat and his unique, collage-style paintings rocked to fame in the 1980s as a cultural phenomenon unlike anything the art world had ever seen. But before that, he was a little boy who saw art everywhere: in poetry books and museums, in games and in the words that we speak, and in the pulsing energy of New York City. Now, award-winning illustrator Javaka Steptoe's vivid text and bold artwork echoing Basquiat's own introduce young readers to the powerful message and art doesn't always have to be neat or clean--and definitely not inside the lines--to be beautiful.
