Sailing Smart is for every sailor who wants to increase his or her knowledge, understanding, and sailing expertise: the local day-sailor who wants a firmer grasp of the fundamentals, as well as the serious competitor who wants to be up on the latest, most innovative sailing techniques and racing strategies. Buddy Melges, one of the world's best-known sailors, has at last set down his highly original thoughts on how to sail *well*. He covers the full range of sailing experience, from the general to the specific, the basic to the highly sophisticated. Melges's message is delivered in a bright, uncluttered manner by way of applications from his own sailing experience and through step-by-step instructions on everything from basic boat handling to expert on-the-course tactics and maneuvers. The book is profusely illustrated by the noted sailing artist Ted Brennan, and each drawing is accompanied by a cogent, in-depth explanatory caption.
