Selfhood and Authenticity

Corey Anton

Selfhood and Authenticity Corey Anton
Explores the notion of selfhood in the wake of the post-structuralist debates.

Drawing upon numerous influential thinkers of the twentieth century, including Heidegger, Bakhtin, Merleau-Ponty, Sartre, Goffman, Schrag, and Taylor, Selfhood and Authenticity articulates the phenomenological constitution by which social construction is a real possibility. Anton brings phenomenology and existential philosophy to wider audiences and makes complex insights refreshingly lucid by systematically radicalizing and integrating the notions of embodiment, sociality, symbolicity, and temporality.

Corey Anton is Assistant Professor of Communication at Grand Valley State University.
