**The Bracelet** Dorothy Love

*"There are no secrets that time does not reveal."*

**Savannah, Georgia – 1858**

Celia Browning dreams of the day when her childhood sweetheart Sutton Mackay comes home to Savannah after two years in Jamaica managing his family's shipping interests. Sutton has all but proposed, and their marriage will unite two of the city's most prominent families. But just as Sutton returns, a newspaper reporter arrives in town, determined to pry into twin tragedies that took place at the Browning mansion on Madison Square when Celia was a child.

While the journalist pursues his story, someone is trying to frighten Celia. When she receives a series of anonymous notes, and a bracelet imbued with a chilling message, Celia realizes that her family's past has the power to destroy her future.

As the clouds of war gather over Savannah, and her beloved father's health worsens, Celia determines to uncover the truth about what really happened all those years ago.

Inspired by actual events in one of Savannah's most prominent 19th-century families, *The Bracelet* is the story of a young southern woman whose dreams fracture under the weight of her family's tragic past.

"Historical romance with a sprinkle of secrets for readers to solve, Dorothy Love's latest puts a new spin on an old idea." —*Romantic Times*, 4-star review
