On September 1, 2011, TJ Klune wrote, "It's not about the ending, it's about the journey..." in a review of Eric Arvin's *Woke Up in a Strange Place*. With those words, two men began a journey of love and invited us to ride along.

TJ and Eric have shared so much with us: their wonderful books, their smiles, their humor, their lives, and their inspiring devotion to each other. In December of 2013, their journey took a detour when Eric was taken to the emergency room.

He survived the surgery to remove a cavernous hemangioma from his brain stem, but the challenges TJ and Eric face are far from over.

The authors in this anthology donated their talent as a way to support Eric's continued recovery, to help bring strength to TJ, and to show both of them just how much love surrounds them. *Grand Adventures* is a diverse range of stories about the journey of love. We're going on some grand adventures for a great cause. Thank you for joining us.

One hundred percent of the income from this volume goes directly to TJ and Eric.

Stories Included: "Foreword" by S.A. McAuley, "An Unexpected Thing" by John Amory, "The Twinkie Ignition" by J.E. Birk, and many more.
