## **Integrating U.S. Climate, Energy, and Transportation Policies: Proceedings of Three Workshops (Conference Proceedings)** Liisa Ecola, Scott Hassell, Michael Toman, Martin Wachs

Three workshops on policies for mitigating climate change brought together representatives of government, industry, advocacy groups, and the research community to address the interconnection of climate change mitigation policy with the key sectors of energy and transportation. Competing energy and transportation interests can hamper progress in climate change; here, they shared different perspectives and identified some common points of view.
