Luke Skywalker Can't Read: And Other Geeky Truths Ryan Britt

“Ryan Britt is . . . the Virgil you want to guide you through the inferno of geekery.” —Lev Grossman, author of the bestselling Magician's trilogy

Pop Culture and sci-fi guru Ryan Britt has never met a monster, alien, wizard, or superhero that didn't need further analysis.

Essayist Ryan Britt got a sex education from dirty pictures of dinosaurs, made out with Jar-Jar Binks at midnight, and figured out how to kick depression with a *Doctor Who* Netflix-binge. Alternating between personal anecdote, hilarious insight, and smart analysis, *Luke Skywalker Can't Read* contends that *Barbarella* is good for you, that monster movies are just romantic comedies with commitment issues, that Dracula and Sherlock Holmes are total hipsters, and, most shockingly, shows how virtually everyone in the *Star Wars* universe is functionally illiterate.

Romp through time and space, from the circus sideshows of 100 years ago to the Comic Cons of today, from darkest corners of the Galaxy to the comfort of your couch. For anyone who pretended their flashlight was a lightsaber, stood in line for a movie at midnight, or dreamed they were abducted by aliens, *Luke Skywalker Can't Read* is full of answers to questions you haven't thought to ask, and perfect for readers of Chuck Klosterman, Rob Sheffield, and Ernest Cline.

From the Trade Paperback edition.
