William Faulkner

Uncollected Stories of William Faulkner (Vintage International) William Faulkner

This invaluable volume, which has been republished to commemorate the one-hundredth anniversary of Faulkner's birth, contains some of the greatest short fiction by a writer who defined the course of American literature. Its forty-five stories fall into three categories: those not included in Faulkner's earlier collections; previously unpublished short fiction; and stories that were later expanded into such novels as *The Unvanquished*, *The Hamlet*, and *Go Down, Moses*. With its Introduction and extensive notes by the biographer Joseph Blotner, *Uncollected Stories of William Faulkner* is an essential addition to its author's canon--as well as a book of some of the most haunting, harrowing, and atmospheric short fiction written in the twentieth century.
