Spanning decades and the globe, the remarkable odysseys of Aaron, Michael, and Rebecca were as compelling as the journey of their renowned mother, Leah. From the courageous struggle of the Hungarian revolution, to the dramatic strife of the civil rights movement in Mississippi...from Israel's heroic fight for freedom, to the eve of the Six-Day War...Leah's children confronted their own convictions and desires in an ever-changing world fraught with danger, idealism, and betrayal. Their uncompromising search for love and fulfillment carried them into dangerous emotional territory?where only the strength, courage, and imagination inherited from their mother could lead them to their own triumphant destinies.
