"I know this shot will guard me from the measles and the mumps --  
Diseases that could leave me with two different kinds of lumps.  
I'm glad the stuff that's in the shot will keep me safe from harm,  
But can't they put the needle into someone else's arm?  
If so, my older sister is the person I'd prefer.  
Could Jenny get this shot for me? I've done so much for her."
