**Taken** Dee Henderson

An investigator who knows tragic loss firsthand,  
and his new client, missing far too long...

Abducted at the age of sixteen and coerced into assisting the Jacoby crime family, Shannon Bliss has finally found a way out. She desperately wants to resume some semblance of normal life, but she also knows she has some unfinished business to attend to. She might have enough evidence to put her captors behind bars for a very long time.

When Shannon contacts private investigator Matthew Dane, a former cop, to help her navigate her reentry into society, he quickly discovers that gaining her freedom doesn't mean her troubles are over. If the Jacoby family learns she is still alive, they'll stop at nothing to silence her.

If justice is to be done, and if Shannon's life is ever to get on track again, Matthew will need to discover exactly what happened to her--even if it means stirring up a hornet's nest of secrets.

"Henderson follows her tried-and-true formula in this well-paced tale of slowly developing love, which will please readers who enjoy the pairing of romantic suspense with evangelical Christian fiction." -*Booklist*

### From reader reviews:

#### Edward Rideout:

The book Taken can give more knowledge and information about everything you want. Why then must we leave the good thing like a book Taken? Wide variety you have a different opinion about publication. But one aim that will book can give many facts for us. It is absolutely correct. Right now, try to closer with your book. Knowledge or info that you take for that, you may give for each other; you can share all of these. Book Taken has simple shape however, you know: it has great and massive function for you. You can look the enormous world by open and read a guide. So it is very wonderful.

#### Henry Robinson:

The reason? Because this Taken is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your expertise and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the guide store hurriedly.

#### Lavone Anderson:

Reading a book to get new life style in this year; every people loves to go through a book. When you examine a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you would like get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, along with soon. The Taken provide you with a new experience in reading a book.

#### Julia Watkins:

As we know that book is important thing to add our information for everything. By a publication we can know everything we want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This publication Taken was filled about science. Spend your time to add your knowledge about your research competence. Some people has several feel when they reading any book. If you know how big good thing about a book, you can feel enjoy to read a reserve. In the modern era like today, many ways to get book that you just wanted.
