If walls could talk, what would they say? Perhaps they would tell us who built them and why. Maybe they could even tell us about people's lives today. In this book walls really do talk, and oh, the stories they tell. Talking Walls: Discover Your World combines and updates two earlier books, Talking Walls (1992) and Talking Walls: The Stories Continue (1996), which have sold 170,000 copies. This new edition includes revised text that makes it more accessible to English Language Learners and easier to read aloud.
